produced by infinite bisous

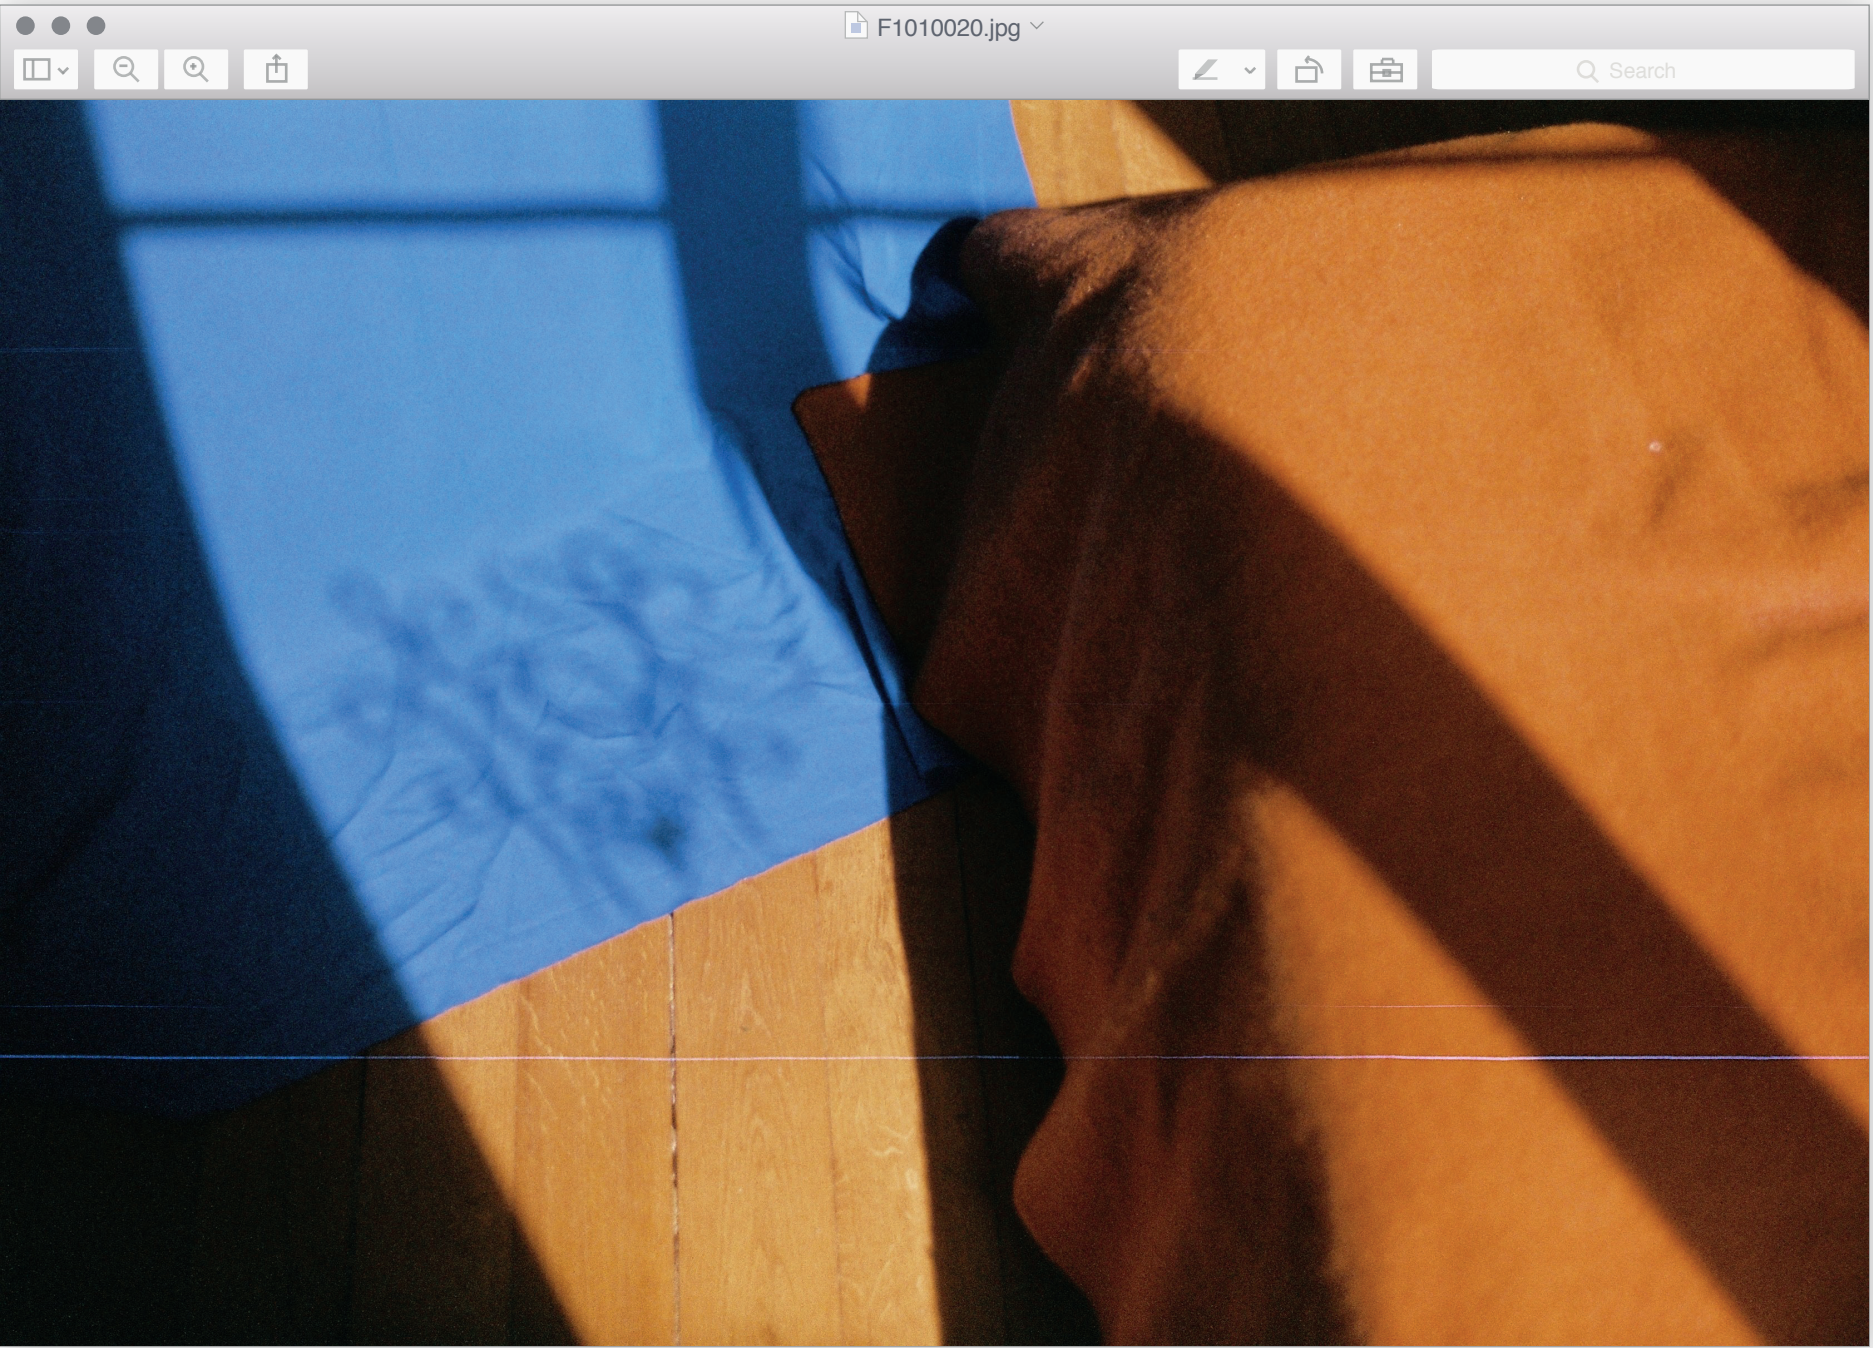

mixed by renaud letang and infinite bisous

mastered by mandy parnell

artwork by infinite bisous

a special kind of gratitude to others who inspired this record whose names i have not already mentioned (and are not in any song titles); dork for just about everything, tommy moulin for all his generous aid, ben for showing me how to sit still, conn, nick, matt and noriko for the listening party, and to the following who have joined me onstage as my band over the years:

harry hunt, richard clitheroe, samuel westran, chris rea, joseph bird, evan doering, tj maiani, zachary taylor, andrew van wyngarden, thom bellini, victor le masne, andrew richardson, matthew russell

period

sole mate

brain

importance

@ home

-

sex dream; marine

the dishes

julija (joe's at home)

island

charnwood
